

ZANJA ALL-STARS

BIOGRAPHY

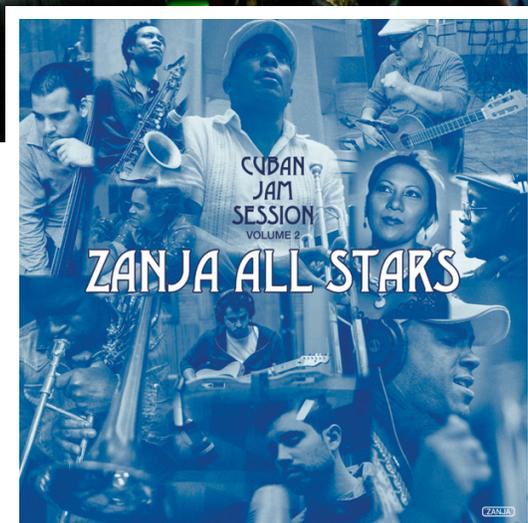

BIOGRAPHY

Established on October 12, 2016, Zanja All Stars represents a remarkable opportunity, not only for Zanja Records but also for the participating artists, continuing the esteemed tradition of Cuban jam sessions from the past. It is a musical revelation; a labor of love, carefully designed to provide an unforgettable musical and dance experience. Zanja All Stars comprises the finest contemporary Cuban musicians, performing Descargas, Montunos, Instrumental Jazz, and Son, all united under the musical direction of trumpeter Julito Padrón.

With a legacy firmly established in Cuban music and traditions, Zanja Records is committed to highlighting the distinctive sounds and cultural contributions of Cuban musicians. Through this collaboration, the label seeks to celebrate Cuba's rich musical heritage while fostering innovation and creativity in modern music production.

2024
CUBAN JAM SESSION VOLUME I. *(Album)* 

Cuban music at its finest, recorded in Havana with a distinguished ensemble of contemporary musicians, led by trumpeter Julito Padrón and featuring the renowned Changuito, a member of Juan Formell’s Los Van Van, on timbales. From the vibrant descarga (“Papa Boco”) and Mingusian swing (“Shaker Heights”) to modal jazz (“La Sepiente”), traversing son, bolero, and boogaloo, every sonic nuance is impeccably placed. The sound is magnificent.
